KITCHEN CABINETS

The kitchen design of your dreams awaits you. Find the best kitchen cabinets, shelves, and other furniture and Villar Home Designs and create a kitchen aesthetic that perfectly matches your interior design. Durability, functionality, and stylistic appeal are guaranteed. Villar Home Designs products give you the chance to design and furnish your kitchen exactly as you want. From the kitchen cabinets to the smallest details of the hinges and cabinet pulls your personal style will be reflected. All of this can be done without breaking the bank. At Villar Home Designs we strive to combine any style with affordability and longevity, offering the best of both worlds to our customers.

This shaker-style kitchen design delivers an elegant and sophisticated aesthetic with Egger laminated matte face panels and plywood cabinets, coupled with Blum hardware, paper composite panel kitchen countertop, and 1/4-inch tempered glass.

This two-tone shaker and classic style kitchen uses Blum and Villar Home Design hardware. It features Egger laminated face panels and plywood cabinets, complemented by a paper composite panel countertop, offering an elegant and cohesive look.

This minimalist yet elegant kitchen, featuring flush-faced design with Egger laminated face panels and hardboard cabinets, could be yours. Hardware and countertops are not included, giving you greater freedom to customize your kitchen's aesthetic.
